PRESIDENTS REPORT - Petros Cozis

Dear Members

Hope you are all well and staying warm and dry.

Fishing in this type of weather is definitely for the die hards...

Our new season is just beginning and the first competition will be early August with the Bream Gippsland Rivers Comp.

This General Meeting we will hold the club Annual General Meeting.

We are looking for members to step up and volunteer themselves for positions.

Almost all positions will be announced vacant.

I am happy to step aside should anyone wish to continue to drive the club onwards and upwards.

Otherwise, If you're keen to support myself and the committee in a less public role please volunteer yourself on Wednesday night and the new committee will welcome and look forward to your ideas and support.

I look forward to seeing you all Wednesday night and light supper will be supplied.

PS. Pat will give away some of his bream secrets fishing the Gippsland Rivers.

Many Thanks

Tight lines

Treasurers Report

My apologies, I will not be able to attend this AGM Meeting on 17th July.

I have sent out Invoices for Membership renewals via email. If you did not get it, check your junk mail.

Fees for GFAV (Game Fishing Affiliation) have increased from \$28 to \$35 for Seniors And to \$10 for Juniors.

If you wish to pay your renewal fees by EFTPOS or Cash at this meeting, please see Rosco.

Otherwise, you can use Bank Transfer as noted on the renewal form:- (BSB 633000 - Account 152147161). Use your name as reference.

If you intend to compete at the Gippsland Rivers Bream comp in August, you must be a financial member.

I am looking for a Club Member to become an apprentice for coordinating the Whiting Challenge. If you are interested in helping to organize sponsors or can work with Microsoft Excel, please contact me ASAP. The work is rewarding and is much simpler now, running on a Club Laptop. I will be able to assist/train anyone who wishes to become involved.

All clubs are run by Volunteer Members, so your participation is vital to keep fresh ideas in all aspects of Club Function.

There is a regular gathering of members who are retired or available every Thursday from 3pm to 4.30pm at the Club Building. Anyone is welcome to drop in for a chat and beverage.
